ENGADINE GOLF CLUB celebrates 125 years

The social and sporting activities marking the 125th Anniversary are an open invitation to visit the Engadine. The most important date to save is 1 August 2018 with the Anniversary Tournament on Samedan Golf Course.

by Eveline Fasser Testa

ENGADINE GOLF CLUB is not only the oldest golf club in Switzerland and celebrates its 125th anniversary in 2018, it is also the club with one of Switzerland's oldest golf courses and an even older population of larch trees. This tree population gained 125 new larches in 2016 and 2017, all generously donated to the golf club by members and guests. The larch buyers and any interested golfers are invited to the Anniversary Tournament in Samedan **on 1 August 2018**, which will be played in mixed foursomes just as it would have been 125 years ago.

The Anniversary Dinner will also take place on 1 August 2018 – Swiss National Day – at Badrutt's Palace Hotel in St. Moritz. ENGADINE GOLF CLUB is looking forward to seeing many of you at the Anniversary Tournament and Dinner. Be sure to save the date right away.

The anniversary summer of celebrations will kick off with the first event in early June 2018. We will be welcoming our partners from politics, hotels and golf to the Samedan golf course on Wednesday 6 June for a look behind the scenes at Engadine Golf. This is followed by the Open Day on Saturday 9 June, which will feature various attractions to get everyone more

familiar with the game of golf, and of course motivate them to try it out and take golf up for themselves.

Another date for your diary: **the traditional Club Match with dinner will take place on June 16th.**

ENGADINE GOLF CLUB is delighted to welcome all presidents and captains of Swiss golf clubs on **June 23**. The traditional ASG Presidents & Captains Meeting will be held at the Samedan Golf Course. This is a unique opportunity to present our club to the participating Swiss golf clubs.

This year's Graubünden Championships will take place in Samedan. ENGADINE GOLF CLUB will host players from the Graubünden Clubs on **25 and 26 August**.

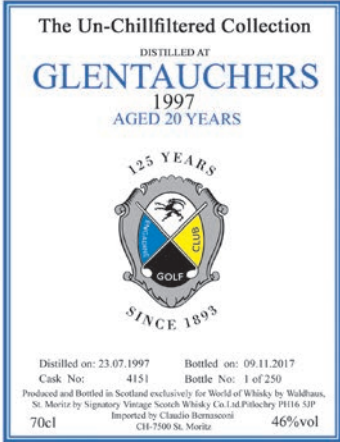

Design Gallery St. Moritz
The history of ENGADINE GOLF CLUB will also be the theme of an exhibition at the Design Gallery St. Moritz from June to December 2018. Along the long escalator from the lake to Badrutt's Palace, 31 posters will portray the history and development of the ENGADINE GOLF CLUB and golf in the Engadine. The exhibition vernissage is scheduled for mid-June.

History Walk Samedan

We are also planning to showcase the history of ENGADINE GOLF CLUB visually and as an experience on the Samedan golf course. The 20 posters around the driving range and up to the refreshment bar depict its history and development. The various pictures are accompanied by brief texts in German, English, Italian and Romansh.

Anniversary Whisky

ENGADINE GOLF CLUB's GLENTAUCHERS Single Malt Whisky, aged 20 years, is numbered and limited to 246 bottles. The first **125 bottles (No. 1 – 125)** will be sold in combination with a matching whisky decanter designed by Robert Niederer, Glasi Hergiswil, for CHF 250. The numbered **whisky bottles 126 – 246** can also be purchased separately for CHF 125.

Reserve your unique bottle now. As far as possible, requests for specific bottle numbers will be taken into account. Orders can be placed directly by email to golfclub@engadin-golf.ch.

Anniversary Sweater

The cashmere sweaters commemorating the 125th anniversary can be ordered in the anniversary year 2018 and are priced at CHF 300. They are made to order and may be personalized with your initials. Production takes about 8–10 weeks. Samples of the sweaters – in all sizes and colours – are kept at the secretary's office in Samedan. Just drop by or, during the winter season, send an email to golfclub@engadin-golf.ch to arrange an appointment to try them on.

Time for magic

The Engadine Amateur Championship 29 June – 1 July 2018

You can sense the magic of this championship when you cross the fairways that have been crossed by crowned heads and Hollywood stars, for the Samedan course is the oldest in Switzerland and the Engadine Amateur Championship has also been going since 1893. Its restrictions are both exclusive and strict: No handicap above 11.0 and no more than 120 participants. The players with the highest handicaps are excluded if there are more registrations (the dates and prices can be found on our website).
